**Sound**

**Are you out of tune?**

Even the finest guitar can get out of tune. When our bodies get out of tune we don't feel well. Thomas will demonstrate how to identify your harmonic imbalances "hot spots", and tune them through the introduction of optimum frequencies with his voice.

## **pot Luck**

Please bring something to share at our potluck lunch, which begins immediately after the speaker is finished on Saturday. As usual, the club will provide coffee and tea.

**Speaker:** Gary Schwartz, PhD

Can science address the hypothesis of a universal "Guiding-Organizing-Designing" process-an Infinite Intelligence- that plays a fundamental role in all creation, order, and evolution in the Universe? Gary Schwartz, PhD, University of Arizona professor and Director of the Laboratory for Advances in Consciousness & Health will answer this question in his presentation "The G.O.D. Experiments: How Science is Discovering God in Everything, Including Us".
