# **“HIRING THE HEAVENS – A Practical Guide to Developing Working Relationships with the Spirits of Creation”**

**Jean Slatter**

“Why not hire from the Heavens?  
Whether you realize it or not, you play a part in the divine plan of creation. Once you recognize this, you can gain access to the immense power of the Universe. Jean Slatter will present simple and fun techniques to “employ” Divine assistance to make every wish a reality using a transformational approach that invites you to become a conscious and deliberate co-creator. Whether the task is large or small, whether you want to manifest your dreams, find a soul mate, improve your finances, or simply get through your days without stress and worry, the Heavens are ready to help. With fun, familiar imagery and an easy “hiring” process, this approach teaches you how to recruit the resources of the Heavens and mobilize a talented and willing celestial “staff!” Applying these concepts, serendipity will become an everyday occurrence and worries will magically fall away. Discover how easy it can be to call upon the gifts and talents in the world of energy and employ your very own spiritual workforce!

GENERAL MEETING  
SATURDAY, APRIL 4, 2009, 10:30 AM  
Unitarian Universalist Church**

**SPEAKER: Sheldon Deal, DC, ND  
“The Biology of Perception”**

Announcements:

Nancy Clark announced an upcoming class in Medical Intuition. Contact her for details.

Dowsing Discussion Groups are ongoing on the 3rd Thursday of the month from 7-8:30 PM, at the homes of Marge Hefty (central) and Terry and Steve Klunk (northwest).

Steve and Terry Klunk are teaching a Dowsing 101 Class on Saturday, April 11th and Saturday, May 16th.

Nominations for officers for next year were announced:

Steve Klunk, President  
Joe Seymour, Vice-President  
Dan Jones, Treasurer

Election of officers will take place at the May meeting. Only ASD members may vote.

The Tucson Dowsers' 25th year starts in May. We'll have gifts! Jean Slatter, author of "Hiring the Heavens" will be our speaker. She will be doing a workshop at the Unity Church on Sunday, May 3rd.

Several Dowsers manned a table at the 5th Annual Cienega Watershed Celebration at Colossal Cave Mountain Park recently. Marge Hefty gave a talk.

President Kay Eacker introduced Dr. Sheldon Deal.

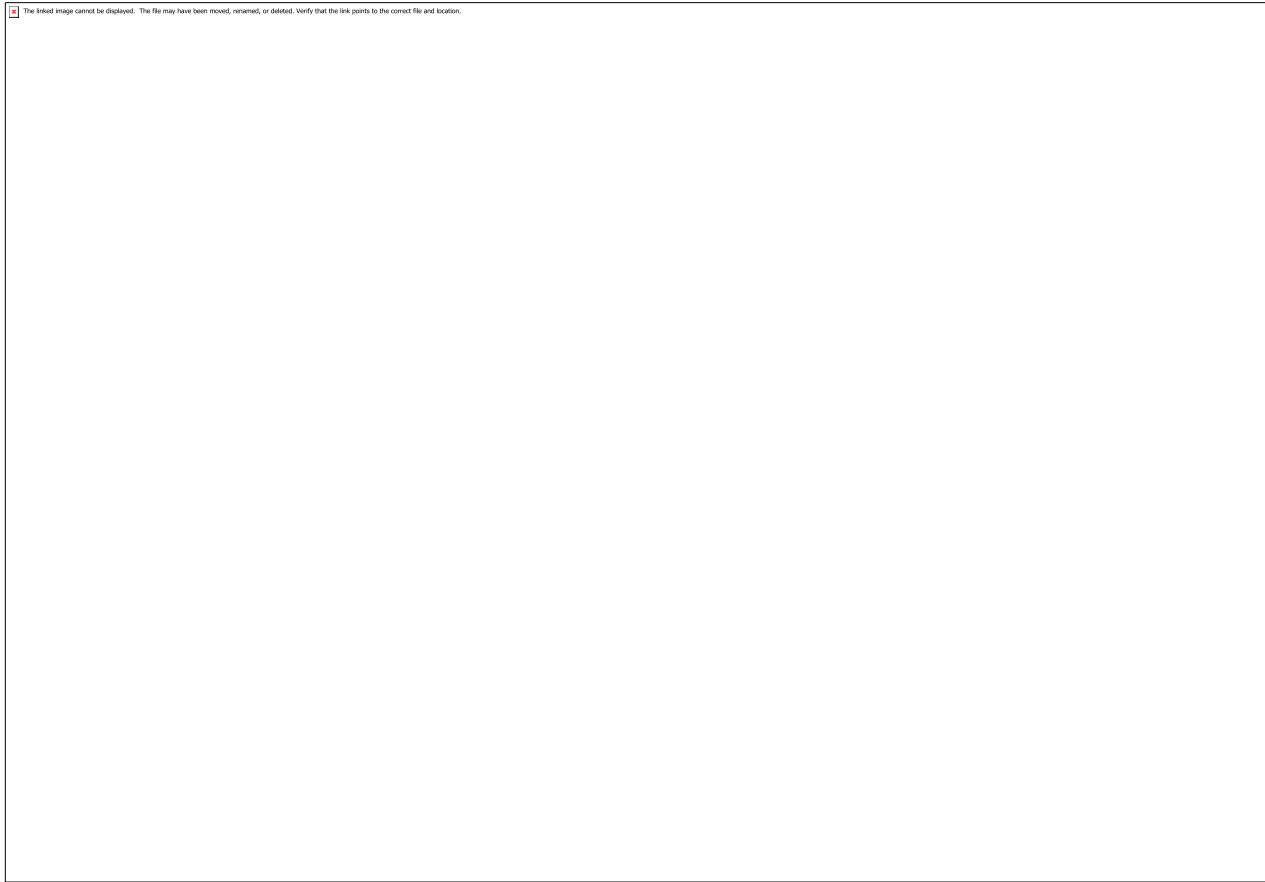

Dr. Deal spoke of our perception—a profound truth is that your perception determines your reality. If you don't believe something exists, you'll never see it. You have the free will to set something new in motion at any time. We see the world as we are—not as the world is.

Dr. Deal talked about an imbalance, called Umbilicus Reversal, which causes muscle testing to be wrong. It can be tested for and corrected.

It can come from programming in our early childhood with negative input. A potluck lunch followed Dr. Deal's presentation. Thank you to all who brought dishes to share.

Respectfully submitted,

Terry Klunk,  
Secretary
