TUCSON DOWSTERS

Chapter of The American Society of Dowsters
A Non-Profit Organization

Celebrating Our 25th Year!

Letter from the President

The Board of the Tucson Dowsters is looking forward to a great 2009-2010 season—our 25th Anniversary Year!

Mark your calendars for our kick-off gathering at **St. Francis in the Foothills** on Saturday, October 3rd at 10:30 AM with our friend and internationally known dowser, Raymon Grace.

That evening we will be offering a “Dinner with Raymon” at the El Corral Steakhouse on River Road, starting at 6:00 PM. Pre-registration is required and you can find details on page two of this newsletter.

Raymon will be offering a workshop on Sunday, October 4th, at the Four Points Sheraton, from 9:00 AM-5:00 PM. Pre-registration will be accepted by phone (520-531-8039) or at the monthly meeting.

Beginning with our November 7th meeting, the Tucson Dowsters will be gathering in our *new regular meeting place*, the Sanctuary of the **Unity Church of Tucson**, 3617 N. Camino Blanco, off River Road, between Swan and Craycroft.

The Board is very excited about this change in venue. It means much less work for all of us. Chairs don't have to be set up. The Church has a sound system so no lugging and setting up speakers and an amplifier. If a speaker wishes to do a slide or power point presentation the room can be dark enough for us to be able to see it. There's plenty of parking, beautiful grounds, and a wonderful Labyrinth to

walk afterward if you like.

We will have to move our meetings up a little earlier than before. We will open the doors at 9:00 AM and we will begin at 10:00 AM instead of 10:30 AM. It is necessary for us to be out of the area by no later than 12:30 PM.

We do not have the use of the kitchen, so there will be no Pot Luck. I'm sure there will be mixed feelings about this. Some looked forward to this time of good food and sharing. But it created a great deal of work for others.

We will have hot water for tea or coffee, however no food or drink is allowed in the Sanctuary.

The Board asks for your support in making these changes, and hopes that this change in venue will encourage growth. We can accommodate a larger audience and hope to infuse even more enthusiasm into our community and attendees.

For those who wish to socialize and discuss the day's speaker and the information shared, we will be gathering informally at a restaurant to be named later.

Best wishes for a new season, and Happy Anniversary!
