## Taking Your Dowsing to a HIGHER LEVEL

**Healer, Teacher, Dowser**

**Saturday, March 3, 2012 at 1:00pm**

**Open to the public      Suggested donation \$5**

IT IS SPRING! Time to put "New Thought" into the way we navigate through life. You are invited to bring your pendulum and learn some new ways to use it. Dowsing can be so much more than getting yes or no answers. This is a "New Year." Make this the year you bloom and grow. Be that powerful being you already are.

Marjorie will show you how to dowse for better health by working with the body's energy fields along with her theories she used to heal herself and then shared with many clients. You will be delightfully surprised with the clarity, patience, and good humor mixed in with all the knowledge that she will share with you.

You won't want to miss the opportunity to win a 60 minute session with Marjorie for body work. Yes, you read this correctly. Raffle tickets will be sold for \$1.00 each and you could be the winner. There are no limits as to how many you can buy. All proceeds will be donated to the Dowsers for the purchase of new equipment that is needed.

Marjorie is a dedicated professional dowser who studied with Hanna Kroeger. A certified massage therapist and herbalist whose work and teaching span over 25 years known as TPP Margie & Co. Her specialties include: Body Dowsing, Saliva sample readings, long distance healing for people and pets. Massage therapy, Polarity therapy (Dr. Randolph's work), Color and Sound therapy (Dr. Darius Dinshah's work), tuning forks and working with precious stones.

She also teaches healthy gourmet cooking classes, and holds a monthly Meditation and Manifestation meeting that has been very successful over many years. Contact Marjorie at 520-544-8188 or [tppmargie@mac.com](mailto:tppmargie@mac.com).

## TUCSON DOWSERS CHILDREN'S OUTREACH

Laura Boles, Tucson Dowsers President, received an invitation from Liz Gingrich to do a brief presentation on dowsing to her 5<sup>th</sup> grade class at the Satori Charter School.

The children were reading "The Water Seeker" by Kimberly Willis Holt. This is a story of Amos Kincaid, son of a dowser, and his life as he travels the Oregon Trail during westward expansion. Amos faces many challenges, including that of being a dowser.

To bring the story alive, their teacher wanted to the children to learn about the history of dowsing. Laura and Terry Klunk told them about dowsing, showed them various pendulums and Y-rods and had them use L-rods in a short exercise.

The class was bright, inquisitive and excited to explore this new skill.

## NOMINATIONS NEEDED FOR OFFICERS

The Tucson Dowsers is not a membership organization. Everything that happens is thanks to a group of dedicated volunteers who believe that Dowsing is an important tool and one that everyone could benefit from. And we can use YOU.

Once again you have the opportunity to become a part of the decision-making process for the Tucson Dowsers. Not only can you be part of helping to choose the speaker line-up, but you get to participate in choices that are necessary as the season progresses. Remember that being a part of the larger picture, and "giving back" is very fulfilling.

And fresh ideas and fresh eyes help to keep our organization vital.

The open positions and the duties involved, as described in our By-Laws, are as follows:

A. President. It shall be the duty of the President to preside at all meetings and direct the affairs of this Chapter. The President shall be responsible for scheduling speakers for the coming year. The President may form a speakers committee or a designee to schedule speakers.

B. Vice-President. It shall be the duty of the Vice-President to perform the duties of the President in his/her absence. The Vice-President is to take an attendance count at the Monthly Presentations, and report the numbers to the Secretary and the Treasurer. The Vice-President shall perform other duties as directed by the President and/or the Board of Directors.

C. Secretary. The Secretary shall take minutes at all Board meetings and present them to the Board in a timely fashion. The Secretary shall correspond with the speakers, and workshop/special events facilitators, thanking them for their presentations. The Secretary shall be responsible for all other correspondence as directed by the Board.

D. Treasurer. The Treasurer shall receive all monies from the monthly presentation, workshop and special events, and record and deposit them to an account in a bank authorized by the Board of Directors. The Treasurer shall maintain records and submit reports to the Board during regular Board meetings, or upon request from the President. The Treasurer shall pay all bills as authorized by the Board of Directors. The Treasurer shall prepare the books for audit after the May bank statement is available.

Please consider serving.

Nominations will be accepted at our March Speaker Event. Elections will be held at our April Speaker Event. Only current ASD members may serve on the Board and vote.

If you are not a member of ASD but wish to serve on the Board, please do not let that keep you from participating. Contact [TucsonDowsers@gmail.com](mailto:TucsonDowsers@gmail.com) for information on how to proceed.

## **AMERICAN SOCIETY OF DOWSERS WEBSITE**

Have you been to the ASD website ([www.dowsers.org](http://www.dowsers.org)) lately? As an ASD member you can logon to the "Members Only" area. And what a wonderful wealth of information can be found! For instance:

- ▶ There are several pages of articles, on topics such as Ancient Wisdom, Earth Energies, Everyday Uses, How-To, Well-Being and Water Dowsing
- ▶ MP3 files: These titles are of past dowsing presentations on various topics that can be listened to on your computer or downloaded to your computer and/or your mp3 player to take with you and listen to at your leisure.
- ▶ Fifty Years of the "American Dowsers," ASD's quarterly digest, available for download. No reason to miss an article!
- ▶ ASD Newsletter Archives, along with Archives of ASD Meeting Minutes and Audio (mp3) files of many of these meetings.
- ▶ Dowsers Seeking Dowsers Area: You can seek or post information about dowsers looking to connect in parts of the country where there are no groups. This is a great way to find dowsers when you might not be familiar with an area.

Under the leadership of Sandee Mac and with a very strong support system of employees, Trustees, Regional Reps and volunteers, the American Society of Dowsers is moving forward by leaps and bounds. As Dowsers, we need to continue to support this organization by becoming members—the primary source of revenue for ASD.
